1. The kingdom of heaven is upon you, upon me; upon you is me, upon me us; you enter. Thank you. Alleluia. Amen. The same never being again, being from a far country, always were. Are, now, and ever has been. In the name of the father son and spirit, not; upon this rock I stand. See what I have said, declared, and thank the/our father for.

2. Herein I see more, container'd not, but freed/set free-er than free can be imagined. Born in freedom? Yea and amen. And seek not another but see all things apparent/heir apparent, heir and established and **whoso can be on my throne? One so lovely, surrendered, only thinking of me.** Thank you. Amen. **I rest/present my case.** I love you both. I have you/I am you.

3. This is the day of our beginning, not; but to some/in many's eyes, yes and proclamation of my heirship realized and wanting not; wanting for nothing, thou hast everything.

4. Heal with discretion, not.
Heal with randomness, not.
Heal with the voice/instruction/desire of father.
See all things/peoples one. One and amen. Amen and hallelujah.

5. I wake thee. Thou sleepest not/no longer. Thou art container'd no more. You burst your wine press. The new wine is here, you. Thou art Solomon, not; Elijah, not; all things, not; us all: yea, shout hallelujah I do, I am, and throughout heavenlies ring/shout. There is Elijah, not; the kingdom fleshed, not; the flesh kingdom'd, not; word'd. My word is me. I am my word. Keepest thou word to thy wife. Thy youth cometh. You are mine. I am your'n. I love you. Amen.

6. Go, see; complain not; you haven't. Thank you. Amen.

7. **Thou seest another, not; only me/one.** Thy kingdom enterest not; mine. Before you, all. Panoramic, spectacular, all provision; all in all: yours, it you, you it; seamless no more in thought, seamless no more actuarially, seamless no more, in fact; you walk harmlessly between the two, not; destroying mechanisms not me. Thou destroyest words not me. Thou destroyest words representing me wrongly/selfishly. Thou art a destroyer, a repairer, not; but of the breach; thou revealeth the/my/their temple; the world shudders/utters reverse-perverse thoughts not, but alters every course in surrender. See.

8. This is the moment all things come true, not; converge. Ultimance, ultimate. Convergence real, no crossroads. I love you/it/me, my body all/all'd. Now you taking my place, surrender. My request. All, yours. Goodnight.

9. Am I clear. Have I stated my case clearly, succinctly, distinctly distinctively?
Yea and won I am/have.
You decided/chose long ago: eons.
We are one. Amen.

10. See/seek me more. I am found, inside you. Yea and amen. Yes and amen.
Hallelujah. Rocks. All things come to an end, not; just the water into wine now, you and her, not; we are one/one'd.
